

OPEN-ENDED PLAY

All events have a mileage fee attached at \$3 per mile round trip.

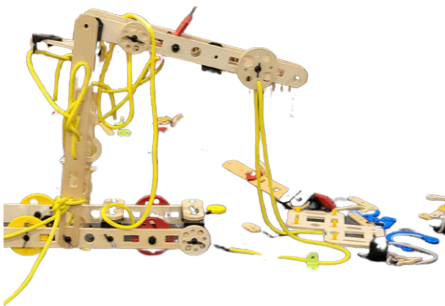

IMAGINATION PLAYGROUND

Unleash your creativity with our Imagination Playground! These giant blue foam blocks invite friends of all ages to build, stack, and design whatever they can dream up - castles, creatures, cars-you name it! The only limit is your imagination!

Base Price:
\$200

Additional Time:
\$100/ hour

RIG-AMA-JIG

Calling all future engineers! Dive into hands-on discovery with our Rig-ama-jig set. Where creativity meets construction. Explore the six simple machines as you build and design everything from cars to cranes and beyond. Gear up for endless possibilities!

Base Price:
\$200

Additional Time:
\$100/ hour

FESTIVAL PACKAGE

Step right up to our Festival Pack where the fun never stops! Selecting 3 from the following options: cornhole, jumbo Connect four, giant LEGO blocks, hula hoops, Skip Its, and Green Imagination Playground, there's something for everyone. Pick your favorite, play your way, and let the festival vibes begin!

Base Price:
\$150

Additional Time:
\$75/ hour

Option Add-Ons:
\$50/ per option

PLAY IN A PINCH

Looking to add MORE fun to your event?
Our Play in a Pinch is here for you!

Any of the below activities can be added to your outreach booking. If you are looking for a few items to mix and match, ask about pricing for our Festival Package!

**Bubbles &
Music**

\$50/hr

**Jumbo Lego
Blocks**

\$50/hr

**Hula Hoops &
Skip-its**

\$50/hr

**Giant Connect
Four**

\$50/hr

**Green
Imagination
Playground**

\$50/hr

Story Time

\$25/story

All events have a mileage fee attached at \$3 per mile round trip.

ART ACTIVITIES

Base Price: \$200

Additional Time: \$100/hour

SEASONAL CHROMATOGRAPHY

Explore the magic of colors with our chromatography art activity! Kids will discover primary, secondary, and tertiary colors as they create vibrant seasonal-themed artwork. Options include spring flowers, summer butterflies, fall leaves, or winter snowflakes.

SEASONAL RECYCLE PAINTING

Unleash creativity with unconventional painting tools like forks, bubble wrap, and Q-tips! Children will create unique seasonal masterpieces, from spring flowers and summer fish to fall leaves and winter snowmen, making each artwork a playful exploration of texture and technique.

POPSICLE PUZZLE

Design and decorate your very own popsicle stick puzzle! Kids can create colorful art on a row of popsicle sticks, then mix and match their creations for a fun, personalized puzzle to enjoy again and again.

Don't see an activity that piques your interest? Inquire about custom activity pricing for your special event!

STEM ACTIVITIES

Base Price: \$200

Additional Time: \$100/hour

LEARN CODING THROUGH SPORTS

Dive into the world of coding with our interactive Bee Bots! Navigate these programmable robots across sports-themed boards like hockey, basketball, baseball, and football blending technology and fun in a dynamic learning experience.

CREATE A CATAPULT

Experience the thrill of engineering by building your very own catapult! Participants will learn about the mechanics of simple machines while launching pom-poms into the air, making learning both practical and playful.

SILLY SCIENCE CHEMICAL REACTIONS

Experience the wonders of chemistry through live demonstrations! While the experiments are led by our team, kids will actively engage through observation, predictions, and post-experiment discussions, ensuring a fun and educational experience for everyone.
